1. MISSION STATEMENT

The St. Alban's Catholic Primary School's Mission Statement is as follows:

2. INTRODUCTION

In St Alban's School we believe that everyone is of equal value. Each person is a unique individual with their own special qualities and will be encouraged to develop respect for themselves and everyone with whom they come into contact.

This policy sets out the school's approach to promoting equality, as defined within the Equality Act (2010). It covers sex, race, disability, religion or belief, sexual orientation and the school's statutory duty to produce a Single Equality Scheme.

This Equality Policy statement sets out:

- aims and values
- the school's overall approach to promoting equality, diversity and tackling discrimination
- specific reference to sex, race, disability, gender, age, religion/belief and sexual orientation¹
- roles and responsibilities
- monitoring, reviewing and assessing impact

3. OUR APPROACH TO PROMOTING EQUALITY

The overall objective of the school's Equality Policy is to provide a framework for the school to pursue its equality duties to eliminate unlawful discrimination and harassment; to promote equality of opportunity; and to promote good relations and positive attitudes between people of diverse backgrounds in all its activities.

Through the Equality Policy, the school seeks to ensure that no pupils, staff, parents, guardians or carers or any other person through their contact with the school receives less favourable treatment on any grounds which cannot be shown to be justified. This covers characteristics identified within the Equality Act 2010 i.e. sex, race, disability, religion or belief, pregnancy & maternity, sexual orientation, or those undergoing or who have undergone gender reassignment. In addition, this may also include characteristics such as ethnic or national origin, language, marital or civil

partnership status, age, responsibility for children or other dependants, trade union or political activities, social class.

The principles of this policy apply to all members of the extended school community: pupils, staff, governors, parents and community members.

4. A COHESIVE COMMUNITY

St Alban's School recognises the importance of a working in partnership with our local and wider community.

In order to achieve a cohesive community, we should:

- promote understanding and engagement between communities
- encourage all children and families to feel part of the wider community
- know the needs and hopes of all our communities
- tackle discrimination
- increase life opportunities for all
- explore and address issues of diversity through the curriculum

5. ROLES AND RESPONSIBILITIES

All school staff are responsible for:

- promoting equality and avoiding discrimination against anyone
- keeping up to date with the law on discrimination and taking training and learning opportunities if appropriate

Pupils are responsible for:

6. MONITORING, REVIEWING, ASSESSING IMPACT

The policy will be regularly monitored and reviewed to ensure that it is effective in eliminating discrimination, promoting access and participation, equality and good relations between different groups, and it does not disadvantage particular sections of the community.

Any pattern of inequality found will be used to inform future planning and decision making.
