

We want our children to be proud of us all and be able to provide them with extra special activities and resources to support their learning.

Friends of St Alban's (FoSA) is a registered charity. Our aim is to encourage as many Mums, Dads and Carers to take part in a FoSA fundraising activities and enjoy being involved.

Every parent is automatically a member of FoSA and can join the committee to share their fundraising ideas and to get actively involved in running these fundraising events!!

If you are interested please speak to FoSA committee via letschat@friendsofstalbans.co.uk
