

**A warm welcome to St Alban's from the children in year 6**

**Dear Lord, my trust is with you always.**

**I have been raised happily in this loving school for 7 long years. I will take and treasure all those happy memories and remember them for my whole life. For those families starting in September, I pray that they will follow in the footsteps of Jesus and shine brightly like the stars in the night sky.**

**Thank you for the love the teachers have given us and how they helped us grow as individuals to know and understand the ways of God.**

**Dear Jesus. Thank you for this great part of our lives – St Alban's. We pray that the new children starting at this caring school will grow in love and peace with each other like we did – and be as happy and as grateful as we are.**

**Grant our prayers, oh Lord. Amen.**

**Here at St. Alban's, the teachers have taught us to always make the best of our abilities. We are a family of Christians, flying into the sunset, moving on in our lives. We have believed in the Holy Spirit and we have spread The Word. We give thanks.**
