They are an integral part of school leadership and have an important part to play in working to strategically to support and challenge the school to maintain and raise standards. They do not however get involved in the operational management of the school. St Alban's School converted to an academy on 1<sup>st</sup> September 2017, when the role of The Governing Body changed from the being the accountable body in law to a committee of the Trust board of Xavier Catholic Education Trust. Its core function is to work within the framework set out in the Trust's [scheme of delegation](#) to
