*“Why do you see the speck that is in your brother’s eye, but do not notice the log that is in your own eye? How can you say to your brother, “Brother, let me take out the speck that is in your eye”, when you yourself do not see the log that is in your own eye? You hypocrite! First take the log out of your own eye, and then you will see clearly to take out the speck that is in your brother’s eye... For no good tree bears bad fruit, nor again does a bad tree bear good fruit, for each tree is known by its own fruit.”*

**Luke 6:41-44**
