

# Music Pros - St Albans

## Summer term - 2025

Dear Parents,

I hope you have had a fantastic Easter term. It is my pleasure to once again invite current and potential new students, to our exciting Music Technology club, Music Pros!

### About Music Pros

'Music Pros' is an exciting opportunity for students at Key Stage 2 to experience music composition using a professional music studio app, 'Cubase'.

Each term, students compose music for a different project, such as music for a computer game, music for the BBC news, or a super hero theme tune. Students get their final work sent to them at the end of term. **This term we have been making incidental music for cartoons!**

### Next term – Project Movie Trailer!

Next term we are composing music for "Project Movie Trailer!". Students will choose a trailer for the latest blockbuster movies. We will then spend the rest of the term trying to make a cinematic, epic, and exciting bit of trailer music for our chosen movie! At the end of term, students will get the Movie trailer footage, with their own music on it!

### Music Pros sessions

Students work in pairs during a 25 minute session, using a laptop and music keyboard. Music Pros is open to everyone - regardless of any previous musical experience.

### Times and Cost

Music Pros will run for 10 weeks, starting on the W/C 21<sup>st</sup> of April, until and including the W/C 30<sup>th</sup> June.

Music Pros will take place at school on Wednesday lunchtimes, with two separate groups of 8 pupils.

The fee for Music Pros this term will be £85.00, this accounts for 10 sessions.

For more information, or to sign up for Music Pros, please send an email to [info@musicpros.co.uk](mailto:info@musicpros.co.uk)

Kind Regards,

Jon Hickman.
