

EYFS – Reception

ST. ALBAN'S
CATHOLIC PRIMARY SCHOOL
LEAD THE WAY

Some examples of exciting things that happen in Reception

- We grow and observe the life cycle of a caterpillar turning into a butterfly
 - We grow beanstalks and flowers
 - We visit our parish church and meet with Father Richard
 - We explore wildlife areas and investigate mini beasts, where they live and their characteristics
 - We bake biscuits to link with our Gingerbread Man story and make our own seed paper
- Trips and Experiences

Church Visit – RE Learning

As part of our Religious Education curriculum, the children visited our local church. They explore the features of a place of worship, learn about Christian traditions, and reflect on the importance of community and celebration.

Zoolab Workshop – Animal Discovery

We welcome Zoolab into school for an exciting workshop where children meet minibeasts from around the world. They learn about different habitats and explore the unique characteristics of these fascinating creatures.

Painshill Park – Minibeast Safari

Our visit to Painshill Park includes a guided Minibeast Safari. Children investigate the natural environment, search for creatures in their habitats, and deepen their understanding of minibeasts and their features.
